Tran Thi Ha My - Recruitment Executive, VinPearl Group, Hanoi, Vietnam

VinPearl Group had a wonderful experience of collaboration with Aurora Agency. Starting from April 2018 we started our recruitment project of hiring 400 expats. Aurora agency provided to us the largest number of employees among all agencies that we collaborated. Moreover, all candidates were highly qualified and quickly joined the team of our hotel chain. Aurora Team always responded quickly to all our requests and provided excellent service. As I know from my colleagues some of Aurora's employees got promotion, furthermore they are conducting English classes for local Vietnamese staff. I would highly recommend Aurora agency to all..

Nouh Barakeh, General Director and Fitness Manager, Kuwait

I have worked with Aurora HR consultants and recruitment on recruiting fitness trainers to work in Kuwait. They have done an amazing job finding great personal trainers and group exercise instructors. Once we signed the contract it didn't take them long to flood my email with great resumes. They understood my requirements very well and never wasted my time with unqualified applicants. One thing that grabbed my attention is how much they care about their applicants, Aurora was the only agency that followed up with me to make sure we remember flight arrival time and to make sure there is somebody waiting from the trainer at the airport, the follow up per trainer does not stop until the trainer have reached their new home safely. I would highly recommend Aurora for recruiters and for individuals looking to get a job. Special thanks to Jane.

We continue to work together moving forward as they absolutely understand the client need and make an extra effort when ever is needed.
